20. Best Practices adopted, if any

The Institution has been practicing certain useful work culture for the benefit of student community.

- The Institute follows an outcome base education by developing course plans with objectives and outcomes. The learning styles of the students are evaluated through learning style test. Though the college is affiliated M.D. University, Rohtak curriculum gaps are plugged through design based experiments, additional labs other than the curriculum and evaluated systematically through different assessment tools.
- The Institute has formulated Alumni Association to connect with the alumni and utilize their services, like Guest— Lectures, Internship opportunities, placements, etc., Regular training— & placement is imparted in the area of communication skill and aptitude to the students to make them employable.
- The Institute has encouraged students to pursue internships during the vacations and acquire necessary— problem solving skills.
- Students' feedback about teachers' performance and follow-on action implemented
- Parents meet are conducted to take the regular feedback about the progress of their ward and overall development of the college.
- A unique counseling process is followed wherein each faculty is allocated 20 students as a Proctor— with an objective to constantly follow student progress and accordingly suggest changes in case of any deviation.
- In tutorial classes, students undertake group discussion, problems faced in lectures room, quiz, class test, work exercise, in supervision of a faculty. These measures improve the knowledge in the subject and appropriate planning of any work for achieving the objective.
- Suggestion boxes outside the office of Director, Deans and Heads are placed to have continuous feedback for improvement.
- Every year students along with the garden staff plant trees. Due to this program over the years the campus has become lush and green.
